Major General Maxwell D. Taylor
Superintendent
U. S. Military Academy

Dear General Taylor:

Thank you for your letter of 7 October, suggesting additional dates for my lecture at the Academy. I have selected the 4th of February and shall be delighted to come to West Point then. Shortly before that date, I shall drop you a line and let you know when I expect to arrive.

I greatly appreciate your kindness in offering me an alternative date and shall look forward to seeing you in February. With kindest regards, believe me,

Sincerely,
